*You can't get any more of a sound, until you've heard it.
Take a close look at how well it's made and you'll get an idea of how good it will sound.*

*From the fine woods and careful workmanship to the flawless finish,
you'll see the quality in Morris Acoustic Guitar before you hear a note.*

you'll know you're on to something great.

*The only thing left to know is the rich bass,
the clear mids and well-banced treble for yourself.*

Take a close look and a good listen.
