

KRAMER AMERICAN
BARETTA Series PACER Series

Baretta — A product of Edward Van Halen's own design, the Baretta is a simple, straight-forward rock n' roll guitar. One high-output humbucking pickup has been placed on a slant, and is directly wired to one volume control. The result is — "Klassic Kramer Sound". Ask Edward! Specifications: 1 humbucking pickup, 1 volume control, 25½" scale, 22 frets, Floyd Rose Tremolo and Locking Nut, Secur-A-Lock Strap Lock.

L to R Baretta(CAR/RI) ¥180,000 / Baretta(SW/RI) ¥180,000 / Baretta(IV/RI) ¥180,000 / Baretta(IV/MI) ¥180,000

Machined to exacting specifications, the hardened steel bridge with locking saddles and Locking Nut allow the guitar strings to be locked tightly and kept in tune even under the most demanding playing conditions. Fine tuning machines on the bridge allow tremolo users to freely employ their special playing techniques and creativity.
