

Custom Edition

カスタムエディションはTOKAIトリアルスピリッツの結晶。ハイクオリティパーツをセレクトウッドボディにマウントしたエレクトリックギターのアルティメイト。新たなイマジネーションエリアを獲得するAYER'S ROCKER V. L. WHITE P.U.の史上最強コンビネーション。エレクトリックギターのエンペラー。

"I look at the Tokai Guitars as a luthier, as well as, a musician. I'm impressed with the way they are built and balanced. They are a good vintage instrument. Tokai feels like it wants to play. With other guitars, to get the sound you have to work at it. But, Tokai wants to go! Tokai is what Fender was meant to be . . . efficient."
