

We feel the Valley Arts Guitar is more than just a tool of the trade; for us it represents the pride of the artisan who lives within us all.

Completely hand-made in our own shop, the Valley Arts Guitar is the ultimate symbol of an artist in pursuit of self-expression. Exciting woods with a variety of sonic qualities. . . custom-designed neck and bodies. . . the most sophisticated active or passive electronics. . . and 36 coats of nitro-cellulose lacquer for the finest finish available on any guitar. Each Valley Arts Guitar embodies everything we have learned in twenty years of working with top musicians around the world. The quality is second to none.
